

## Aliens Space Station.2 The New Airport buzz

**ALIENS  
SPACE STATION 2**  
INTERNATIONAL AIRPORT, HYDERABAD

When the new Shamshabad airport opened its doors on 4<sup>th</sup> of April, 2008; it also opened a new era in the history of Hyderabad real estate. The erstwhile sleepy suburb of Shamshabad has woken up to unprecedented commercial and residential activity thanks to the state of the art new international airport. Located 10 minutes from the new airport, Aliens Space Station.2 offers a fabulous location for those seeking a premium address in New Hyderabad. This is one of the main reasons behind the phenomenal response that the pre-launch offer of this project is receiving. The features and facilities on offer, sets this project one notch higher than the other projects in the vicinity. Land acquisition is complete for this project and the approvals are in progress.
